The Complaints Form will be completed by or with the complainant if you are reporting it in person or by phone, and by a co-op representative if you have reported the complaint by email, online or by letter. If it has been completed by a co-op representative, the form will be given or sent to the complainant to check and to sign – possibly at a later date.

Your complaint could be about something that the co-op should or should not have done or has done badly or unfairly, or about something that the co-op has done or not done in accordance with our policies and procedures, about the way that a complainant has been treated in the provision of a service, or about a complainant feeling that they have been discriminated against in relation to a service provision. This may include the co-op taking too long to provide a particular service, not doing something a policy says will be done, giving someone wrong information or misinforming them, treating someone unfairly in relation to delivery of a service, making a commitment which has not been kept or another service matter. We will advise you if the matter you are raising should not be dealt with as a complaint.

Please tell us about your complaint. Try to include as much detail as possible, including dates and times when things happened and specifying any individual people involved. Continue on a separate sheet if necessary.

What would you like to see happen to help resolve your complaint?

Would you like your complaint to be:	<input type="checkbox"/> A formal complaint <input type="checkbox"/> An informal complaint (please tick one box)
